City of Greater Dandenong Council Elections

Wednesday 26 October
Yr 1/2 Melbourne Zoo Excursion

Wednesday 26 October
2017 Prep Transition

Friday 28 October
Prep Chesterfield Farm Excursion

From the Principal’s Desk

Dear Parents

Welcome back to all our families and a special welcome to Saad, Mansour, Ali, Mohrah, Alicia & Nikki, our new students who commenced at Chandler Park on Monday. Miss Van den Aker will continue as the 5/6 teacher, replacing Mrs Argendra. We also wish to advise that Mary Hannett will not be returning to Chandler Park Primary.

We have a very busy program of incursions and excursions this term across the school, as well as student led school activities, student leadership training, lunchtime sports, clubs program, coding program, Science activities, Kids Matter accreditation, whole school sports day, transition activities, student reports and Graduation.

Decanting Program

Alongside our busy schedule, we will be moving out of the old building and creating new learning spaces for the duration of the building project which commences in February 2017. This means the library will be packed up and moved to the Hall storeroom, the Art room and the Learning Support Team will be set up in one of the portables, the Music room will be a classroom and the Hall will be set up for classrooms to cater for all our classes.

Most importantly, the building site will be fenced off and new play areas will be established for the children. Every classroom will have access to the phone/internet and the ICT infrastructure will be modified and extended to reach the Hall and Portables to provide a safe, inviting and supportive learning environment for every class.

Child Safety Standards

In preparing for compliance towards protecting children from abuse, the school is updating the student wellbeing policies in relation to child safety.

We currently have a student wellbeing team which oversees student welfare across the school but we are in the process of creating a child safety officer/leader role in the school to promote the school’s Child Safety Action Plan and review and report on its delivery.

The school has also conducted briefing sessions for staff members to ensure a high degree of awareness of the Standards and school strategies. Further work on the child safety standards will take place on Monday 31st October, the last curriculum day for this term. Also the child safety policy has been ratified at the August School Council meeting and will be reviewed in August 2017.

New Student Wellbeing Program

This term a team of teachers are training in a program called Play Is The Way and I believe the program will fit in well with the school’s YCDI program and offer staff at Chandler Park strategies for helping our students be more resilient during interactions in the playground and during organised sports lessons.

Term 4 Strategic Plan focus

As we approach the end of the year, students will be assessed across the curriculum and reports will be written. The school will also be evaluating the goals and targets in relation to Literacy and Numeracy. We are focusing on reading in particular this term and for some students to reach their reading goals they will require your help and support. You can assist by facilitating a reading time every night, read to your child/ren and show an interest in their reading interests. We hope to show continuous improvement in reading this year as we have in the past two years.

Keep Your Details Updated

It is very important that you advise the school of any changes to contact numbers, change of emergency contacts, change of address, etc. If your child becomes sick or is injured whilst at school we need to be able to contact you, sometimes urgently. Not having current contact details can make this impossible. Please assist us by providing any changes as soon as possible.

2nd Hand Uniforms

If you have any pieces of school uniform which don’t fit your child anymore and are in good condition, why not donate them to Chandler Park Primary. We also accept school bags and library bags.

Please ask your children to not bring their own balls to school. If these balls end up on the school roof we are not able to retrieve them without paying an outside contractor to get onto the roof. Balls may be borrowed from the sports shed.

Term 4 is a Sun Smart Term

When playing outside in the playground at school during Term 4, all students must wear a Sun Smart school hat.
INITIATIVE AT ITS BEST!

Throughout the year the students in Junior School Council at CPPS have been working together to raise money for the Friendship Areas in the yard. We have raised an amazing $985.40, we did this by organising the Election Day Sausage Sizzle, Crazy Hair Day and another whole school sausage sizzle during Literacy and Numeracy Week. We are very grateful to all members of our school community for their generous contribution. As a council we decided that we would spend the money on buying two sets of tables and chairs for the senior area and two tepees for the junior area. We hope all the students at CPPS enjoy these. Thanks for all of your support.

Star Struck!

At the concert Grade 1A and 1B sang Hello to all the Children of the World and Olympic Blues. We said hello in many different languages. We had a lot of fun singing and dancing on the stage for our families. We made hats to go with our song. They were very colourful.

Grade 1A and 1B

The grade 2s performed a song Step It Up and Juicy Wiggle, Eye of the Tiger and The Cup of Life - STOMP dances. I was excited for the concert and I just couldn’t wait! My Mum and Dad were at the concert. I was so excited I thought I was going to burst!

Kal-EI, 2A

It was fun, I was a little nervous but happy. When I it was nearly the concert day I thought that there would be a lot of people, but when I got on stage there were even more people than I expected!

Kal-EI, 2A

Be Entertained!

On the concert day I felt nervous because it was my first concert and my mum and Miss Gail watched me dance. I had new shoes and after the concert we had McDonalds. I had chicken nuggets and my brother had the same thing.

PA

My favourite was when we did Juicy Wiggle with the Grade 1’s and 2s. It was loud.

Damien, PB

I was nervous but when the concert started I was excited and it was so much fun!

Ashley, 2A

My favourite part was the dancing. The dances we did were fun.

Mark, 2A

I liked the part when I had to shake my bottom in Hot, Hot, Hot. My mum said that was her favourite

Stefan, PB
