Dear Parents

Education Week

On Tuesday last week we invited prospective Prep students and their families to our school for our 2017 Prep Information sessions. We had such a lovely and interested group of people join us to learn more about Chandler Park Primary and what they can look forward to when beginning school. Our current Preps had their best work on display and visitors were able to walk around the classrooms to get a feel of how we learn in Prep.

If you know of any other families who may be considering enrolling at Chandler Park Primary in 2017, please ask them to contact either Miss Monro or Mrs Kenney for more details.

Tuesday 17 May was also our ‘School On Show’ day where special visitors were able to visit classrooms to see our students during learning sessions. The children certainly appreciated the support from those admiring the work they have been doing in class.

Multi-cultural celebration

We had a wonderful response to the whole school Multi-cultural day last week from parents and family who attended on the day or sent along some delicious food to share at lunch time. The students enjoyed the activities and dressing up in their national costumes added to the festivities and colourful atmosphere throughout the day. There are still some containers at the office for parents to collect. A special thank-you to Mrs Koca for the wonderful Baklava supplied to staff on the Multi-Cultural day. Also thank-you to Jesse Deng and the specialist staff who inspired the concept for the day. The organisers will be seeking your feedback on the event and ways we can improve for next year’s multi-cultural celebration.

Farewell to Steven Barnett

A reminder to parents to come to the Gym and join in the assemblies on Monday afternoons. They are advertised in the newsletter each fortnight. Next Monday May 30th we have a special assembly at 2.40pm to thank Mr Steve Barnett for his 20 years of service to the Chandler Park school and the local community. Parents are invited to a special afternoon tea which will be held in the Music Room straight after the assembly.

City of Greater Dandenong Children’s Forum

On Tuesday 24 May, Benjamin, Palak, Blade, Melina and Mrs Copland attended the Dandenong Civic Centre with over 20 primary schools. They participated in a new program aimed at providing a forum for students to develop their student voice in relation to their community and how to improve the facilities and make the city of Dandenong a child friendly city. There were many engaging discussions and interesting ideas. The students have provided a report with some photographs further in the newsletter.

From the Principal’s Desk (cont’d)

Parenting ideas
Michael Grose is the founder of Parenting Ideas and this year the school is subscribing to Michael’s online education centre to help build teacher skills, support parents and carers and improve relationships between schools and families. In this week’s newsletter you will find an interesting article on Social Media & Your School.

Reports
I would like to encourage all parents to set aside a time to sit with their child and read through the June report which will be sent home on June 16th. This report will show the level your child has reached in relation to the expected level of achievement at a similar age. Students are expected to attend the interview with their parents and we ask that you bring your child’s report with you. In 2015 we had an 85% attendance for these meetings. Our aim for 2016 and beyond is 100%. Please help us achieve this.

International Teacher Exchange Program
This week the school has approved the visit of Samantha Helland from the University of Indiana in Term 4. Samantha will be completing her final placement at Chandler Park PS and she is excited to have the opportunity to work in an Australian school.

’TIS THE SEASON FOR Colds & FLU
We all know that Terms 2 and 3 are the worst months for cold and flu bugs and that children do not perform at their best if they are feeling unwell.
If your child develops a virus it is probably best to keep them home, at least for one day, to ensure that they have time to recuperate and are well enough to return to school. Virus’s like the common cold can be transmitted from child to child so easily and quickly so keeping them home will prevent the spread of colds and flu.

SMS NOTIFICATION FOR LATE ARRIVAL OR UNEXPLAINED NON ATTENDANCE
An automated SMS notification will be sent to parents of children marked with an unexplained absence after the teacher marks the roll each morning.
This includes any late students arriving after the 2nd bell at 8.55am or students whose parents may have forgotten to notify the school that their child/ren won’t be in attendance.
If you do receive an SMS notification we ask that you contact the office to advise the reason for the absence either by registering on tiqbiz or by phoning the office on 9798 2228. Any student arriving after 8.55am is considered late and should sign in at the office and take a green (late arrival) card to the classroom.

EARLY DEPARTURE
If a child is leaving school early, parents must sign their child out at the office and take a blue (early departure) card to the teacher before your child can be released from the classroom. Under no circumstances is a child to leave the school grounds without consent from the teacher.

Parents are not permitted to go to the classroom without having attended the office first.
Don’t forget that you can report your child’s absence on tiqbiz or by phoning the Chandler Park Primary office on 9798 2228.

School Interview Instructions:
Tuesday 21st June

You can access the School Interviews website:

http://www.schoolinterviews.com.au/code or

When you click finish, a confirmation email will be sent to you automatically so you can pop it on your fridge as a reminder!

For parents that don’t have access to the internet at home, at work, at a friend’s house or on their phones please see Chris at the office.

Specialist Teachers:

Mrs McCrimmon - Science: Years 3-6
Ms Deng LOTE - (Mandarin) All year levels.
Mrs Pritchard – Art: PA, PB, 1A, 3/4D, 3/4E, 5/6A, 5/6C, 5/6D
Mrs Woon – Physical Education: 2A, 2B, 2C, 3/4A, 3/4F

2016 CSEF Applications—ENDING SOON

Do you have a Healthcare card or Pension card?

Have you applied for Camps, Sports & Excursions Fund (CSEF)?

CSEF will be provided by the Victorian Government to assist eligible families (those with a Health Care Card or Pension Card) to cover the costs of school trips, camps and sporting activities.

The annual CSEF amount per student is $125 for primary school students.

Contact the school office to obtain a CSEF application form.

If your Healthcare card or Pension card was current at the beginning of term 1 or term 2, 2016, you can apply up until 3 June 2016.

Don’t forget that we have made payments so much easier now with the introduction of BPay. In our ever increasing cashless society, this will make life much easier when making payments to Chandler Park Primary for your child/ren.
Home School Links

Chandler Park Primary....job well done! We have raised a wonderful $483.90 for the Cancer Council through donations from our School Community. Thank you to everyone who brought a plate of food for our Australia’s Biggest Morning Tea. Fair to say it was an amazing spread.

Thank you once again to Mrs McRimmon for organising this event for such a worthy cause.

Parent/Teacher/Student Interviews — Tuesday 21 June 2016

The Online Booking system for Parent/Teacher/Student interviews is now open. Instructions were sent home with each child today so please check your child/ren’s school bag. A link to the school’s interview website can be found on the Chandler Park Primary homepage (www.chandlerparkps.vic.edu.au). The event code is s2ugk.

CITY OF GREATER DANDENONG CHILDREN’S FORUM

Four of the JSC were selected to attend a Children’s Forum in the City of Greater Dandenong on Tuesday 24 May. I was very lucky to be chosen to go with Palak, Melina and Blade. Mrs Copland drove the four of us into the Dandenong Civic Centre. We met with students from other primary schools in the Dandenong area to talk and learn about the local community and how we could help the council make Dandenong a ‘Child Friendly’ city.

On the day we went to two workshops. The first workshop was called ‘Public Space & My Neighbourhood’ and the second was ‘Playground Design.’ In the first workshop we walked around Palm Plaza in Dandenong. We looked at how the space was used, the things we found interesting and what the public was doing. We saw some interesting buildings, sculptures and community playground. Our school came up with ideas of what we would like to see in a local park. Some of our ideas were water fountains, water slides, trampolines and spaces to play ball games like tennis, basketball and football.

We had a really great day at the Children’s Forum. It was lots of fun. One of the best parts of the day was meeting the Mayor of Dandenong and having our photo taken with him.

Thanks to Mrs Copland for taking us.

Benjamin 3/4F

Grade 3/6 school cross country

What a fantastic day at the 3-6 school cross country. It was great to see parents out on the course cheering on their children and offering encouragement. Even the junior school was out there on the track waving streamers and giving running advice to the competitors. Thank you to all the students who ran on the day, giving their all for their house team. Results were:

All students who completed the course contributed points towards their house teams. A number of students ran exceptionally well and will be representing Chandler Park Primary at the District finals on the 27th May at Tatterton Park. We at the school hope it is an enjoyable day and everyone performs to their best ability.

**FROM THE ART ROOM**

Do you read the daily or weekly newspaper, the actual newspaper—not an electronic version? If so, instead of placing them in your recycle bin would you please bring them in for Mrs Pritchard and Mrs Copland to use in the Art room?

**It’s A Boy!**

Chandler Park Primary School is delighted to announce the arrival of our male Bearded Dragon last Thursday. The school is still deciding on his name but he is settling in to his new home very well. He is eating between 2-4 crickets daily as well as vegetables from the school’s garden. We hope to have his name early next week.

Social Media & Your School

Be a positive role model by demonstrating respectful and responsible behaviours when communicating with and about your child’s school online.

Times have changed

A few years ago parents discussed concerns or issues with friends at the school gate. Today, with the internet, mobile phones and social media, discussions between you and your friends can reach a far wider audience than ever before.

Social media can provide an enjoyable way to socialise online and keep you connected with what is going on in your school community.

While these technologies can be great for sharing ideas and keeping in touch, don’t forget that comments about your school community can have greater impact than expected and can have very real consequences for the reputations of individuals including teachers, principals, other parents, students and yourself.

As a parent and carer, you are your child’s first role model when it comes to online behaviour. Make sure your online conduct demonstrates how they can use social media respectfully and safely.

There are also legal implications around what people are able post and share about others. The idea of privacy in the online world can be confusing but essentially posting or sharing personal information about another person online requires consent.

Top tips for positive and respectful online communication with your school community

Avoid posting negative comments that identify your school or individuals.

Feedback from the school community is important for schools and the department. Each Victorian Government school has a complaints process for raising concerns. If you have a concern, rather than go online, speak directly to your child’s teacher, Assistant Principal or Principal.

If after having this conversation you feel that your concerns have not been resolved, you can contact the Community Liaison Officer at your closest Department of Education and Training Regional Office, who will assist you and the school to find a solution. For more information on raising a concern or issue with your child’s school see: http://www.education.vic.gov.au/about/contact/Pages/complaintschool.aspx

Remember: serious instances of inappropriate online behavior may constitute a criminal offence and become a police matter. School staff may obtain personal legal advice if they feel that online content seriously impacts their reputation.
Home School Links

Social Media & Your School

Try not to be emotive or hasty. Keep comments calm and polite.

Before you post something online about your child’s school ask yourself:

- Am I being a good role model for my child?
- Will this information reflect badly on me?
- Does the school community or individual really need to know this information?
- Is this information relevant, helpful and positive?
- Will this information upset or embarrass the school community or an individual?
- Am I making situation worse?

If things do get heated online consider logging out and taking time to relax.

Be aware of what you are sharing and with whom.

Remember that the legal implications around sharing personal information applies to images and video presented online.

As the parent/carer of your child, you have the right to choose who sees your child’s personal information, including their image online. You also have a responsibility to not share the personal details of other children.

If you upload photos on social media of school events, be aware of who is in the background. Some parents and caregivers do not want themselves or their children on social media. It is recommended that you never tag a child’s image with any personal information.

If your child’s personal information or image has been shared on social media without your consent you can request its removal by the social network hosting it.

All Victorian Government schools have a policy on if and when it is appropriate to use cameras for filming or photographing school events. You can contact your child’s school for more information.

If you share pictures of your children publicly through online photo-sharing sites and hashtags, remember that once it is shared, you have no control over how it is used or by whom. To avoid these photos being shared by others or used for purposes without your consent, make sure you set up your account security settings to share images only with close family and friends.

Social Media & Your School

Get to know social media.
It may be helpful to research online networks and mobile applications. In particular look at:
- Terms of Use
- Policies and procedures for the removal of content
- Privacy settings

Be proactive.
If you see something you feel should be removed, flag it. Some sites will allow you to do this anonymously.

Address inappropriate content.
If you encounter inappropriate content online, there are a number of steps you can take:
- Refrain from responding.
- Take a screen capture or print a copy of the concerning online content.
- If you think the content is explicit, pornographic or exploitative of minors, contact the eSafety Commissioner [https://esafety.gov.au/complaints-and-reporting](https://esafety.gov.au/complaints-and-reporting)
- Block the offending user.
- If the inappropriate or negative comments are in regards to your child's school or members of the school community you should also contact the school Principal.
- Report the content to the social media provider (e.g., Facebook). Providers can remove content that contravenes their Terms of Use.

How do I report inappropriate content?
Most websites have a 'report/block this person' or 'report/block this content' function. Links to report or block users can be found below.
