Congratulations to all the Preps who completed the swimming program! The children all really enjoyed themselves and did a great job. A big thank you to all the parents who came to watch and help the children change. It made the program run very smoothly. The Preps who did not swim enjoyed learning about water safety.

The Preps have learnt about the letters ‘C’, ‘K’, ‘P’ and ‘N’. They enjoyed activities such as eating popcorn, making cats and nests. In Maths, the children continued learning about numbers. We sung songs about the number 5, such as ‘Five little speckled frogs’ and we made an octopus for the number 8.

Some Preps also had their first chance to do their specialist classes. They have been very excited to start Art, Sport and Mandarin.

Reminders:
* Students start full time on week beginning the Monday 7th March.
* Next week the Preps will need to have their Yellow library bags at school to borrow books from the library.
* There are still a number of Preps who do not have a ‘Library’ Reader bag or an Art smock. These can be purchased from PSW uniforms or an old shirt can also be used.
* Students need to have their Communication Diaries in their school bag everyday.
* Practise your magic words and read every night!
