The wind, rain, and cold weather have hit Chandler Park during the last two weeks, however the fun, excitement, and learning have continued within the classrooms! The Preps had a great challenge of blowing bubbles on a really windy day and they all managed to blow a bubble or two. Blowing bubbles and making slime are just some of the awesome experiences the students get to do and then write about. Thank you to all those parents who paid for their child to attend the Kids Cars Ed Incursion. This incursion gave the students the chance to learn about not only about pedestrian safety but also gave them a ‘taste’ of being a driver. The Preps have been learning a lot about being safe in our community as well as community helpers such as the Dentist, Doctor, and Firefighters. Have you seen our Prep Board just outside the Prep building? There are lots of things happening in the next couple of weeks, so please refer to the Prep Board for more information or feel free to write in your child’s communication diary as these are checked weekly by the class teacher.

Library day is Monday! No library bag, no borrowing.

We kindly ask parents to take 1 home reader each day as we need to share our books.

If your child is sick, please ring the school to inform them of their absence.

Next Week:
- Tuesday 17th May: Is Education Week and the school is holding an Open Afternoon from: 2.45-3.15pm (All parents are welcome to visit their child’s classroom)
- Wednesday 18th May: Multicultural Day
- Thursday 19th May: Oral Health Information session for the students

Upcoming Events:
- Monday 23rd May: Dental Van
- Tuesday 24th May: Australia’s Biggest Morning Tea 10.30—Students in classrooms 11am—Parents in Hall (Students can bring a healthy plate of food to share).
- Wednesday 25th May: Junior School Fun Run More information on Prep Board! All parents welcomed.

Homework due on Thursday and given out on Friday.

SLIME FUN!

BUBBLES BUBBLES!

KIDS CARS ED so much fun!

“Great day for a drive!”

Stop! Look! Listen! Think!
