The Preps have settled back into Term 4 with excitement and enthusiasm as they begin to prepare for Grade 1! We have begun investigating Animals for our Inquiry topic this term in light of our upcoming trip to Chesterfield farm next week. A reminder notice with more information will be sent out next week.

For the last three weeks we have explored the Aboriginal culture and listened to different Dreamtime stories. The Preps have enjoyed making didgeridoos, decorating boomerangs and trying dot painting.

In Numeracy, the Preps have been working hard on counting backwards to help with learning about subtraction. We have also been introduced to analogue clocks and how to tell the time at o’clock.

A reminder to parents to take a close look at the upcoming events, especially as the long weekend is fast approaching!

UPCOMING EVENTS

NO HAT, NO PLAY THIS TERM!
Halloween Disco

On Thursday the 27th October bring your Halloween costume to school. Please wear your school uniform to school and, we will change at lunchtime.

Please bring a gold coin donation.

ACMI was cool! We got to play Minecraft and make shadows!

We had to be VERY quiet in the theatre!

We LOVED walking in the rain!
